NAPA COUNTY TAXPAYERS ASSOCIATION AND NAPA COUNTY DEMOCRATIC CENTRAL COMMITTEE ENDORSE RYAN GREGORY FOR SUPERVISOR

Napa, CA – The Napa County Taxpayers Association and Napa County Democratic Central Committee have endorsed Ryan Gregory for the 2nd District seat on the Napa County Board of Supervisors.

The move is the latest in a series of high-profile endorsements for Gregory's campaign, and reflects the diversity of endorsements for the campaign that transcends traditional ideological lines. Both the Napa County Taxpayers Association and Napa County Democratic Central Committee join countless elected officials and community groups and organizations in supporting his campaign, including the Napa Chamber of Commerce, Democrats of Napa Valley, and Napa City Firefighters Association, amongst others, along with numerous elected officials from U.S. Congressman Mike Thompson, Assembly Member Bill Dodd, Supervisors Keith Caldwell, Diane Dillon and Alfredo Pedroza, to the entire Napa City Council (Mayor Jill Techel, Vice Mayor Mary Luros, Council Member Juliana Inman, Council Member Pete Mott and Council Member Scott Sedgley).

Upon learning of the endorsements, Gregory said, "I am proud to have the full support of Democratic Party organizations in Napa County, including the Democratic Central Committee. I am also pleased to have the support of the Taxpayers Association, along with the Napa Chamber of Commerce and a coalition of small business owners and fiscal watchdogs. I am excited to have the opportunity to bring these groups together to maintain fiscal responsibility while improving the quality of life for our residents through good-paying jobs and investments in essential services."

Ryan Gregory finished with 41.5% of the vote in the four-person June primary. The 2nd Supervisorial District encompasses much of western Napa, including parts of Browns Valley and downtown Napa, as well as unincorporated areas west of Napa stretching to the Sonoma-Napa County line.
